Dedication . . .

D.J. PEGG, SIR!

Considerate, outgoing, caring, warm, giving, funny, interested and dedicated are all words one could use to describe David J. Pegg. However, one or all of these would not suffice.

As an educator, Mr. Pegg gives all he can to those students with whom he comes in contact. Mr. Pegg is known for his knowledge in the area of law. He has a great desire for his students to know and understand the law, to be aware of its limitations and their rights.

Mr. Pegg not only exhibits expertise and devotion in the classroom, but also on the field as a member of the Varsity football coaching staff. From August to November Mr. Pegg lives for Leigh. He spends countless hours on the field and numerous others researching legal cases in order to give his students a better insight into our society.

He always has the time for anyone with a problem or for someone who needs to talk. Leigh takes great pride in wholeheartedly dedicating the '76 Vintage to Mr. David J. Pegg.

Verdant Hills Reflect Your Colors Bright, Glorious Green and Gold and White

Judy, you freak! You looked like a

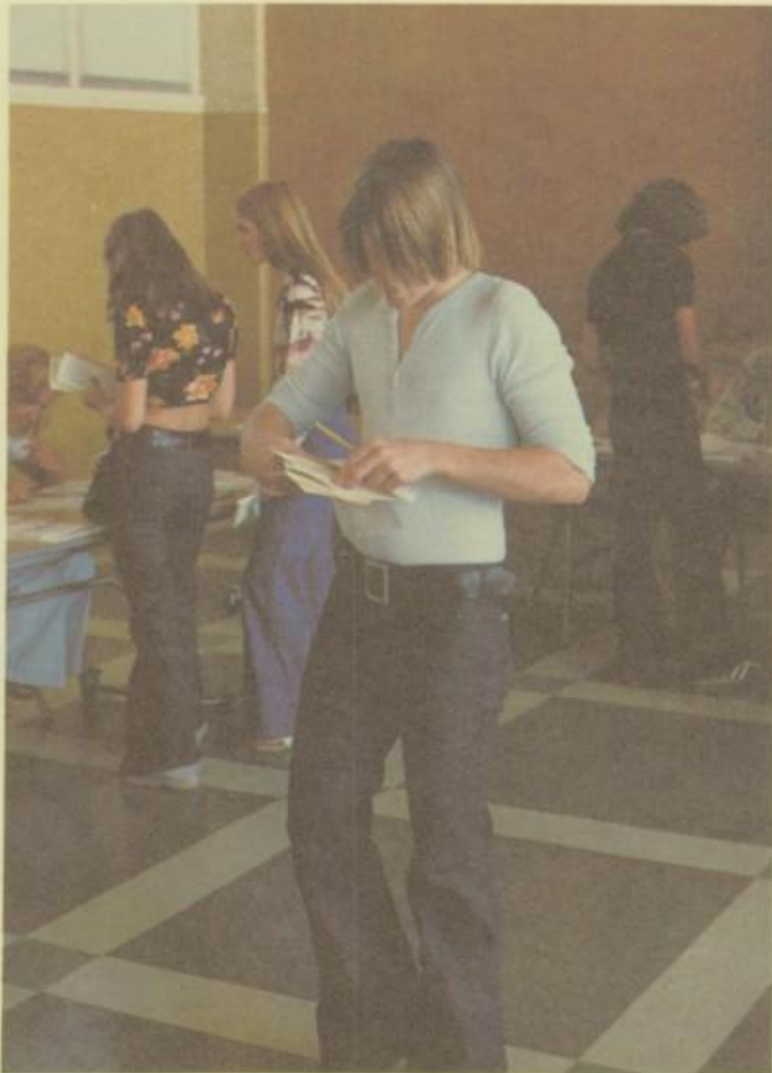

clown today!
(just one
last little
cut, don't
take me
seriously!)

Have a
fun summer
and watch
out for
the guys!
(Ha!)

Love,

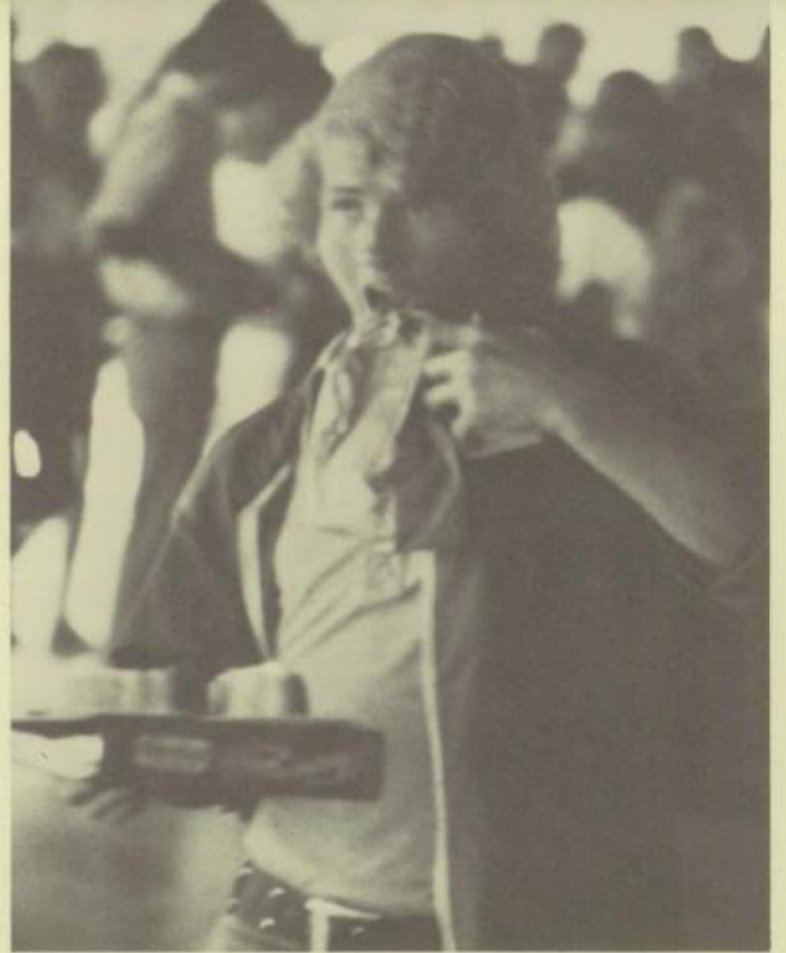

Darry

(Penelope Francesworth)

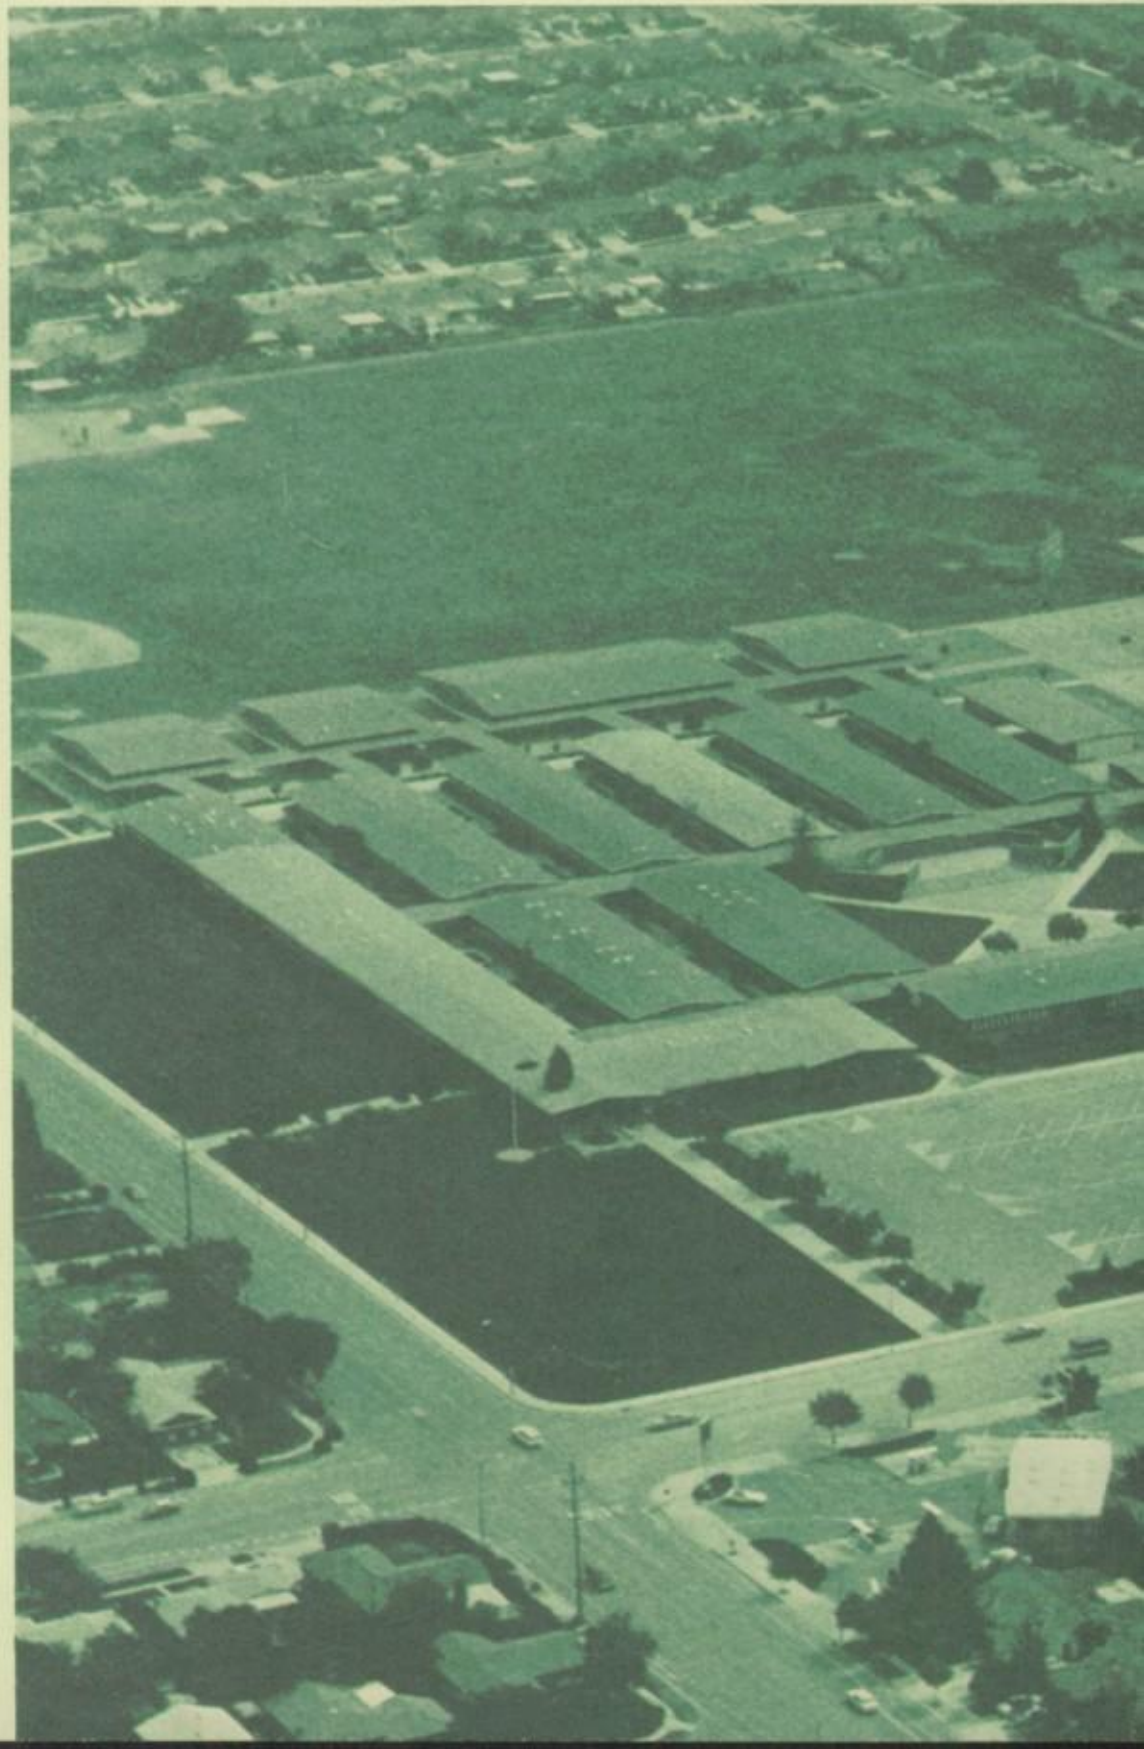

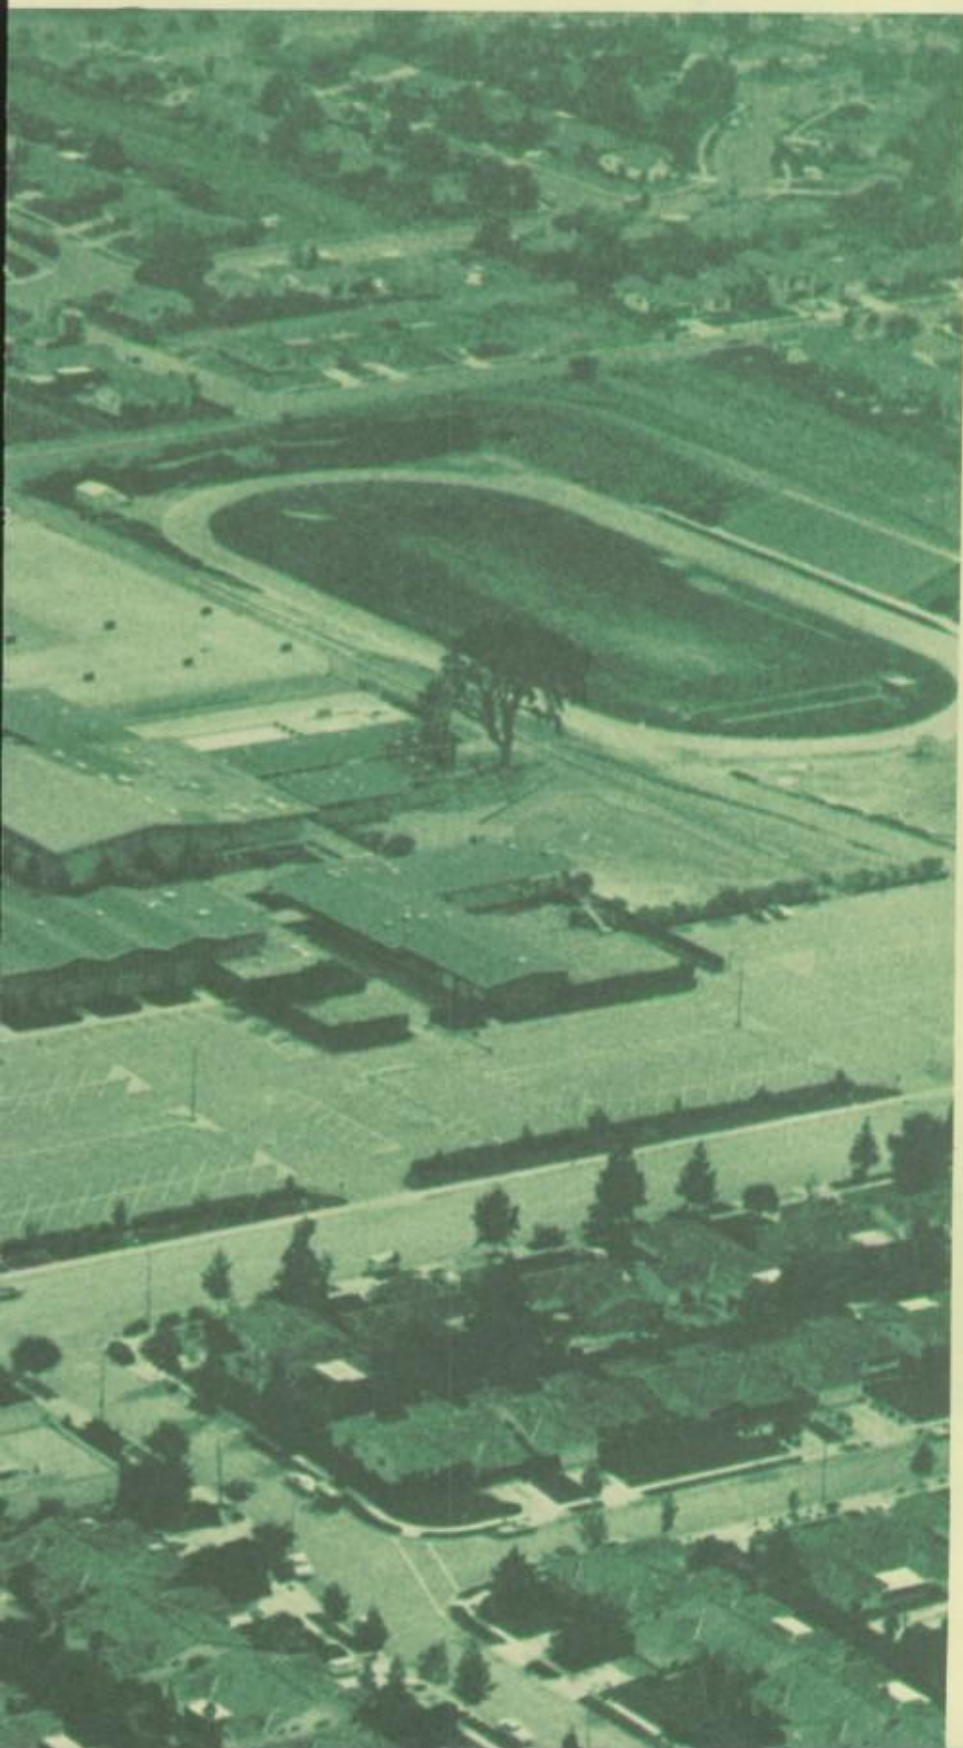

Judy,
It was good getting
to know you. You are a
wonderful person. Thanks
for being such a good
friend. Have a great summer.
Good Luck and God Bless.
Lae,
Wanda Armstrong

Keep Alive From Soaring Heights Above

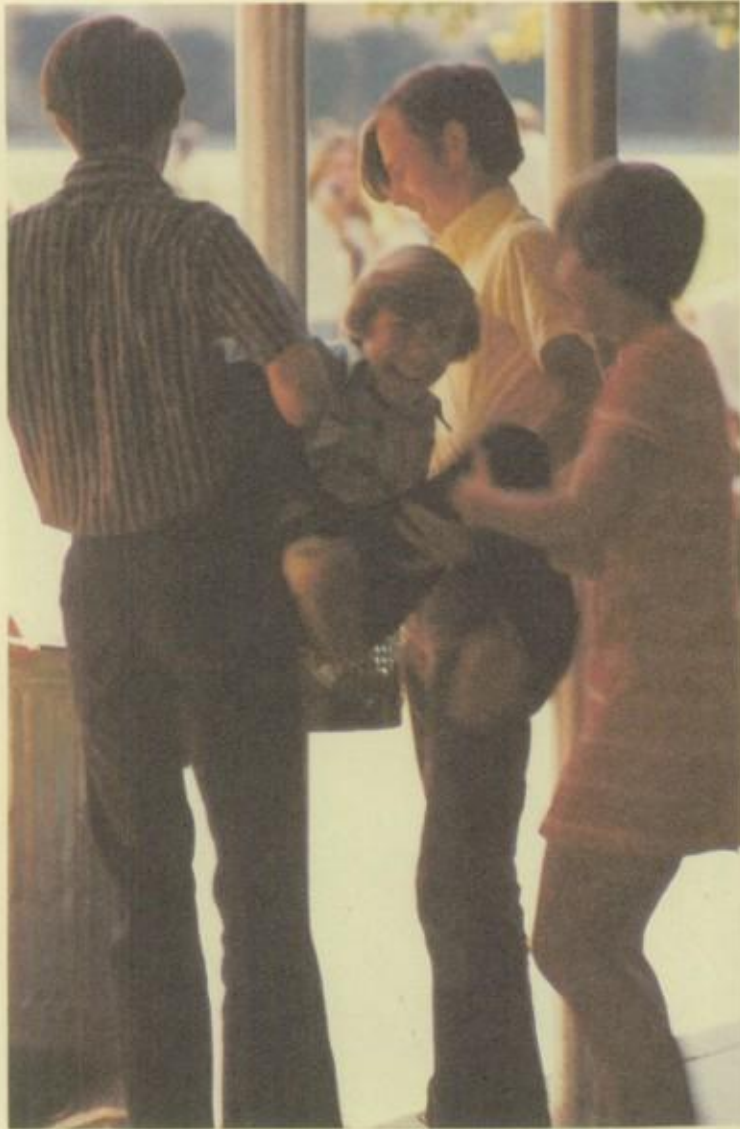

Education should not be a destination - but a road we travel all the days of our lives.

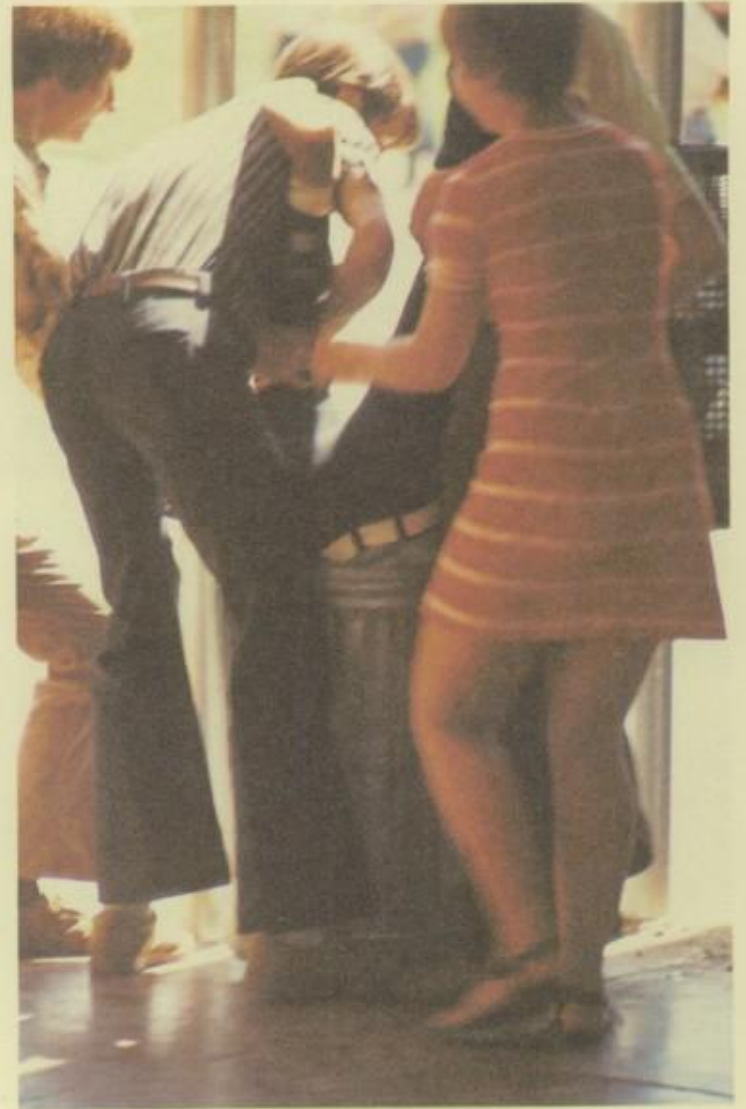

Memories of the School We Love

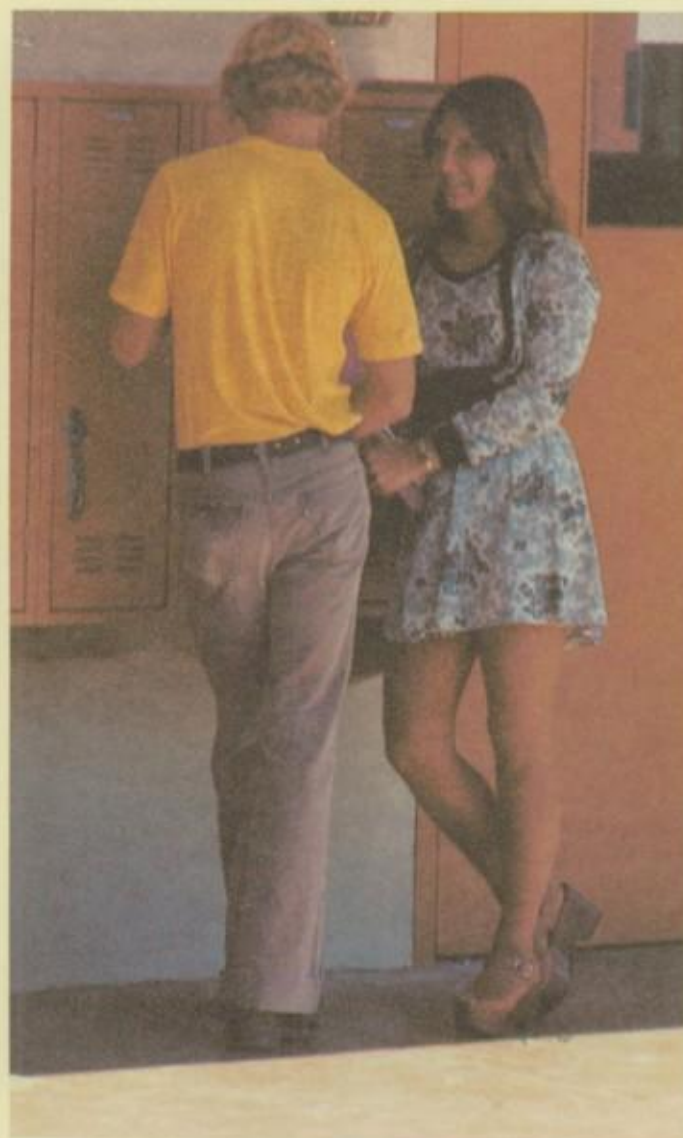

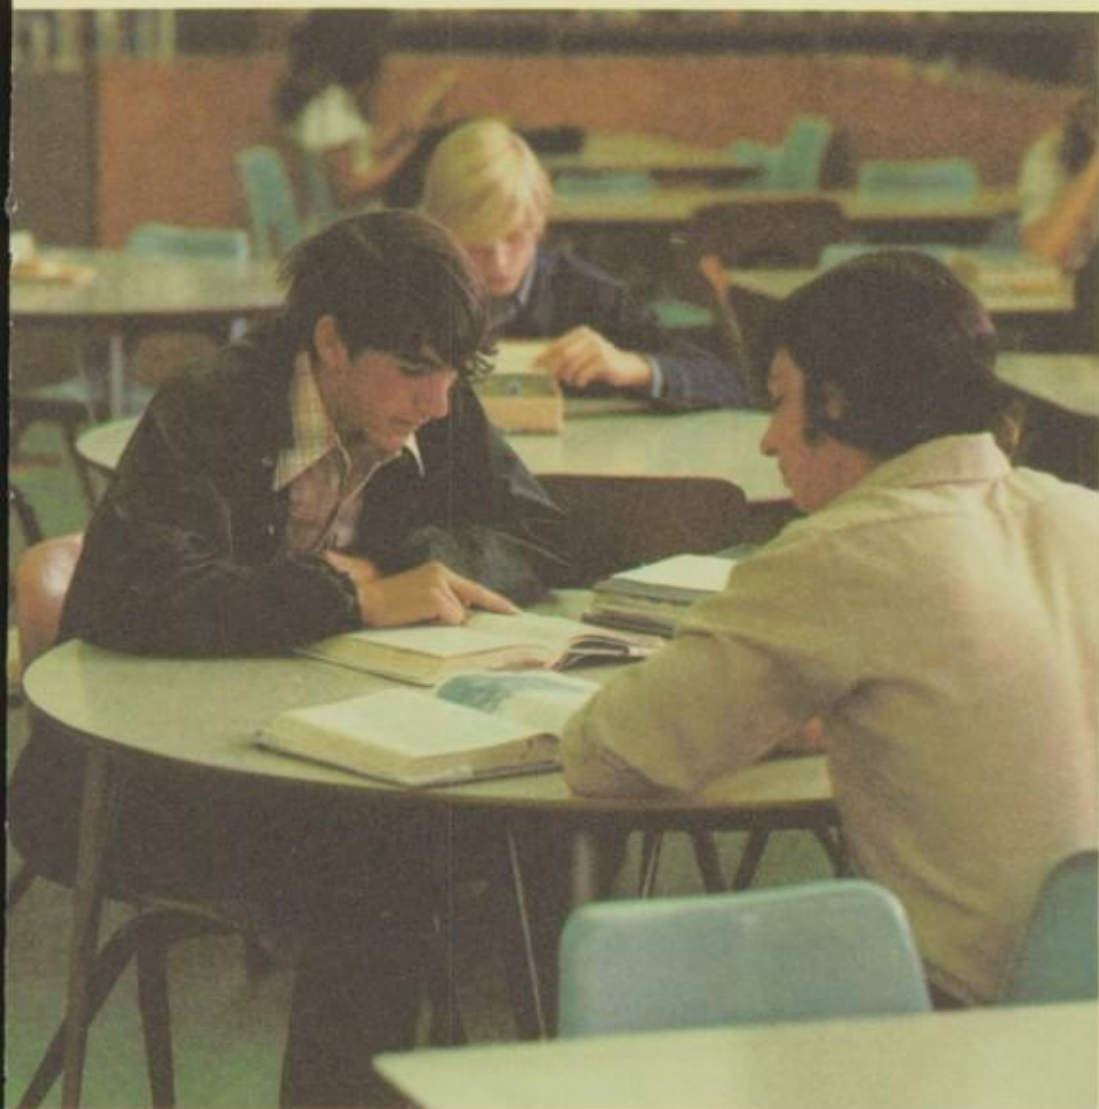

You give but little when you give of
your possessions.
It is when you give of yourself that you
truly give.

Gibran

The Friendships Made

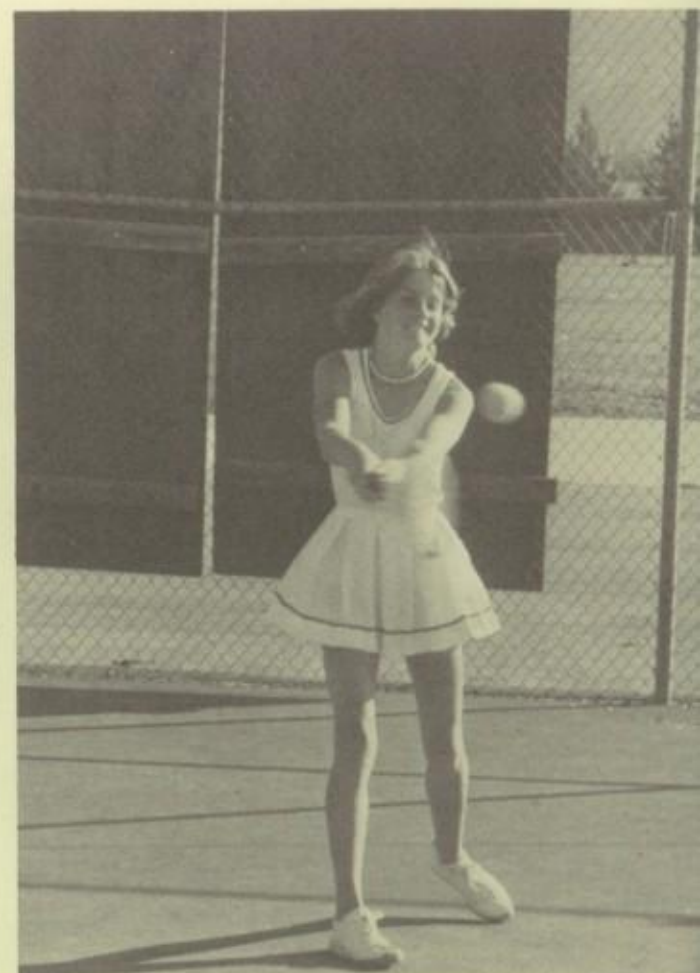

Wherever there is a human being
there is an opportunity for a kindness.

Seneca

The Games We Played

Nothing great was ever achieved without enthusiasm.

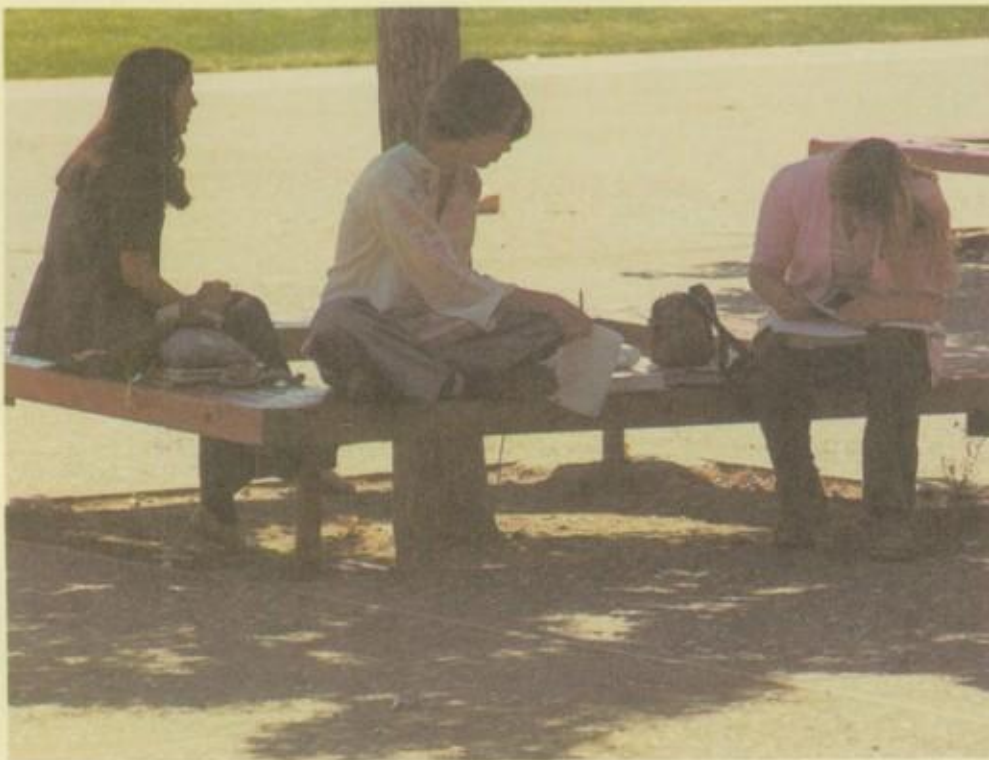

Emerson

Words are good, but there is something better. The best is not explained by words. The spirit in which we act is the chief matter. Action can only be understood and represented by the spirit.

Von Goethe

When a man begins to understand himself he begins to live. When he begins to live he begins to understand his fellow men.

McGranahan

The Truths That Will Not Fail

Education makes a people easy to lead, but difficult to drive; easy to govern but impossible to enslave.

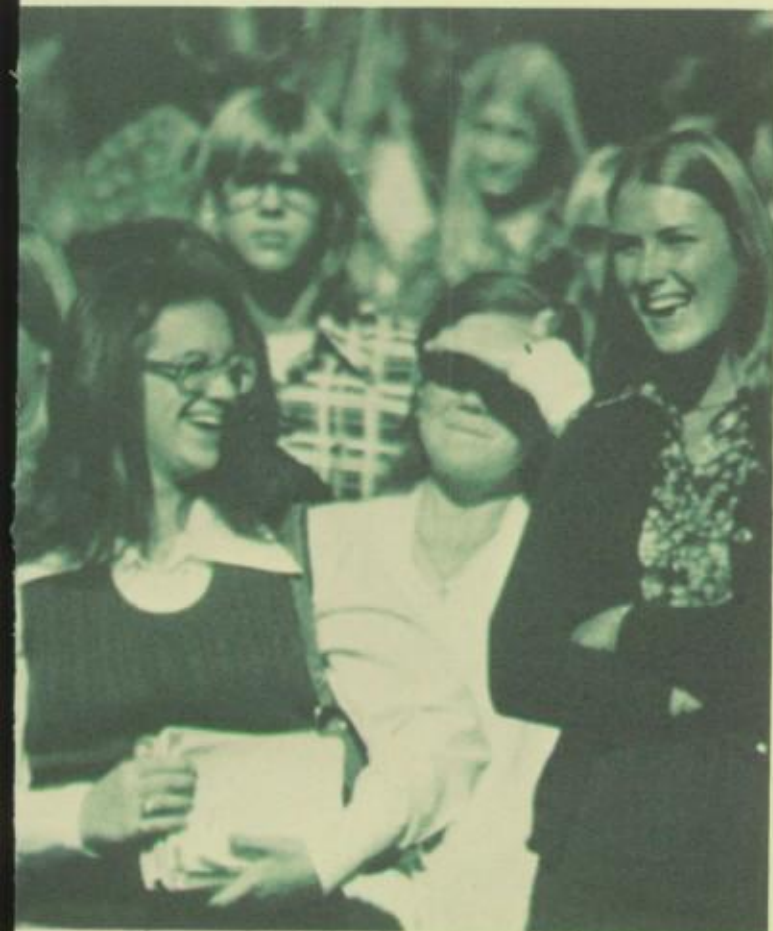

We Remember

Destiny is not a matter of chance,
it is a matter of choice; it is not
a thing to be waited for, it is a
thing to be achieved.

Leigh Ski Club Hits the Slopes

Leigh High Students Celebrate

1976, the 200th anniversary of our country, was an equally exciting year here at Leigh. Each individual pursued their own unique interests in search of knowledge and creative expression. The big events of this school year were: Homecoming Festivities, Sadie Hawkins and Christmas dances, the annual foreign language festival, various sports events, dramatic and dance productions. However, no event was more unusual or exciting than February 5th, when the snow fell all around campus. The students who attended Leigh, engaged themselves in wild snow battles in the quad. Snowmen, ice sculpting, and even cross country skiing on the field were enjoyed by many enthusiastic participants. Despite wet clothing and frostbitten fingers and toes, school became a winter wonderland for one day.

the Bicentennial and Life!

It's a Small

ROW 1: Bobey Levavasseur, Irene Mockotte, Nemat Al-Jassim. ROW 2: Eduardo Carvalho, Wdad Al-Jassim, Think Ha, Thuan Ha

Hi! I'm Sylvia Bojunga and I came from Brazil last January 13, as a member of the "Youth For Understanding Teenage Student Exchange Program."

I was born in the last state in the south of Brazil and the town where I live is the capital of this state, having a million inhabitants. I've already traveled throughout Brazil and I'm sure that traveling is the best way of learning how to live and how to understand other people. For me, the most important thing in this six months I'll be living here, besides learning a lot about American culture, is getting acquainted with people. I really love to talk, hear and try to understand those that are around me. That's the way we can learn a lot, opening ourselves to the others and sharing with them all the love we have inside.

I really enjoy being at Leigh High School, where I have many friends, that I'll probably miss pretty soon.

To all those who helped me, beginning with my American parents and sister, I want to say how happy I feel. You're all nice and friendly and you are making me have an experience that I'll always remember as the best of my life. Go to Brazil someday and I'll do the same for you. OK?

Love you all,

Sylvia

World...After All!

Hi, My name is Irene. I'm from the Netherlands. When I first came to Leigh I was kind of embarrassed because this campus is so big and I didn't know which way to go for my next class. But, I found people here very willing to help me. I enjoyed my year in the U.S., the places I've been and all the friends I made, especially here at Leigh, very much and I'll never forget it.

Irene Moekotte.

If one does not keep pace
with one's companions, perhaps it is because
one hears a different drummer.
Let one step to the music which one hears,
however measured or far away.

Friendship Is the Only Cement That Will Ever Hold the World Together.

The Way to Be Happy Is to Make Others Happy!

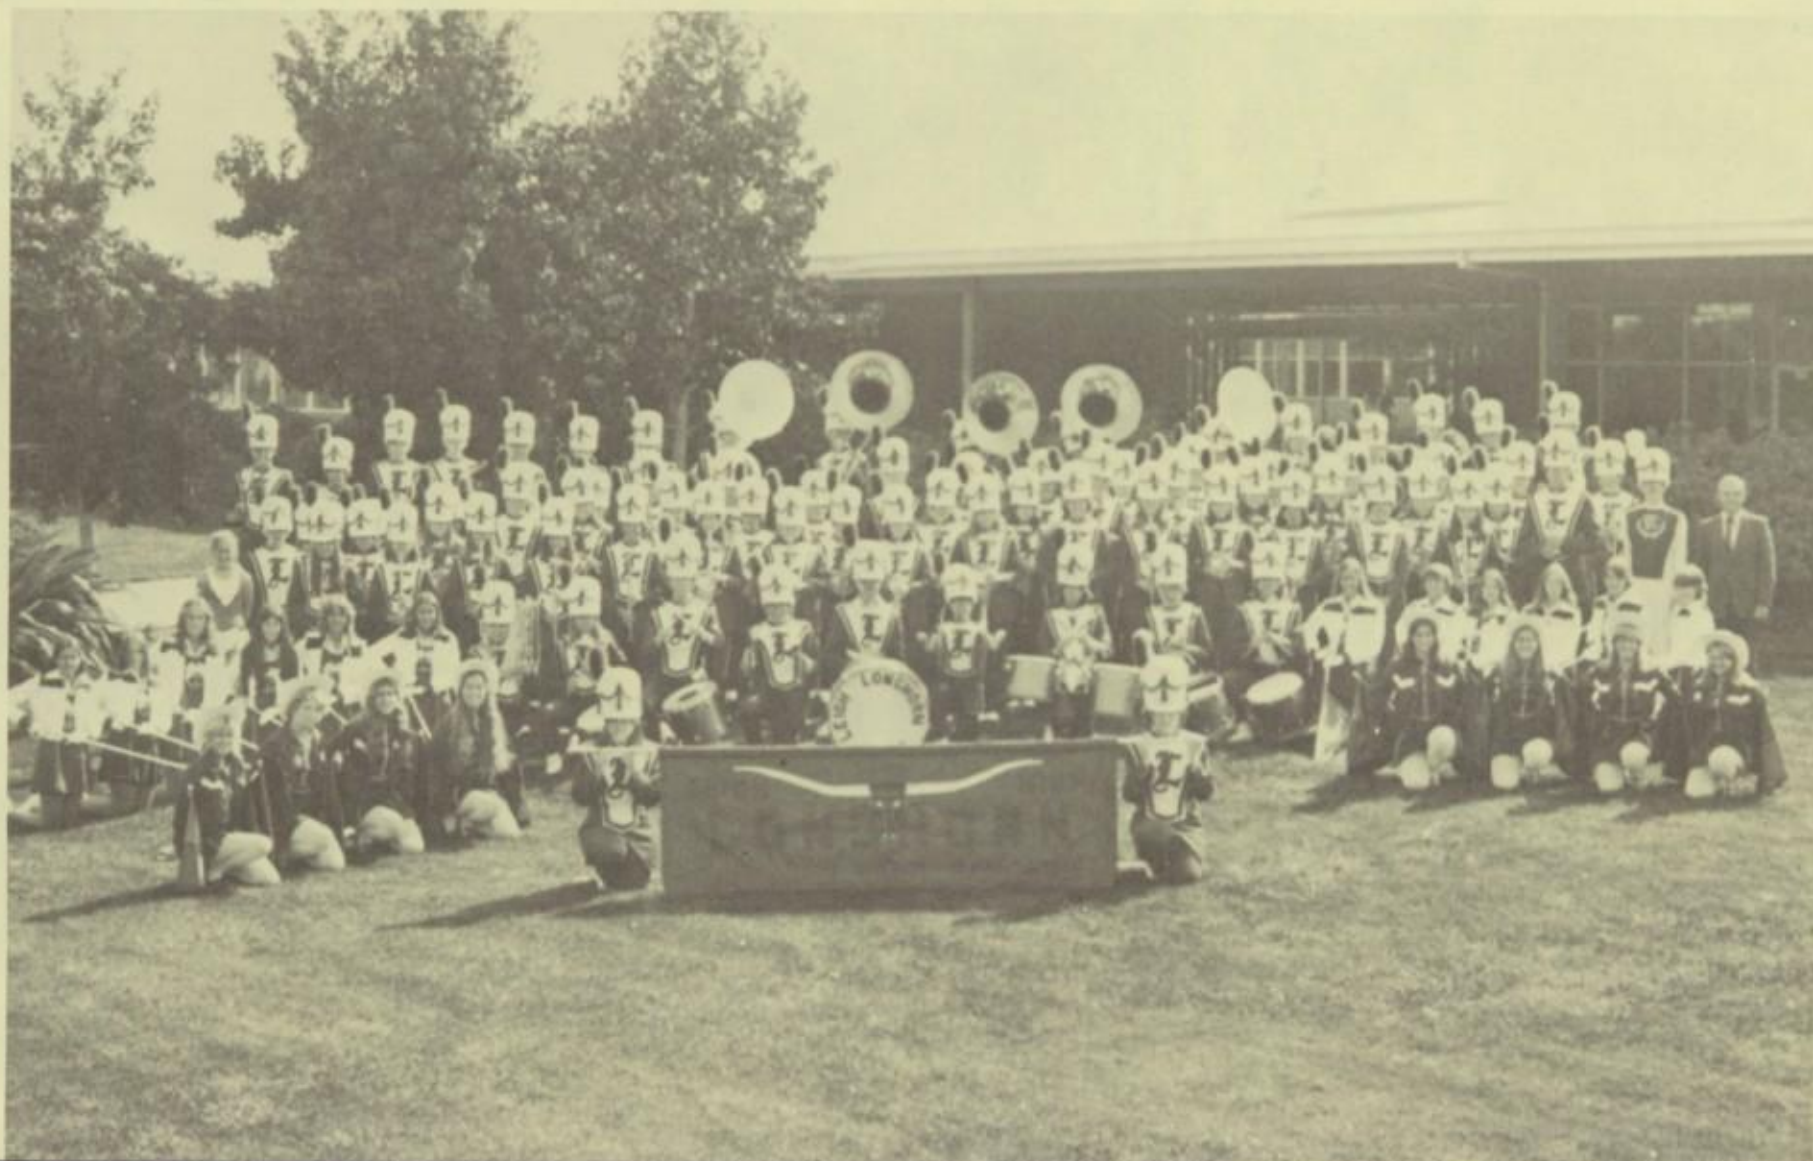

Leigh Band Marches on!

I could sit around making music all day long,
 As long as I'm making music, I can't do nobody no harm,
 And who knows, maybe I'll come up with a song
 To make people stop they're fussing and fighting
 Long enough to sing along.
 I believe in music, I believe in love.
 So take your brother by the hand,
 Shake your tambourine,
 Lift your voices to the sky,
 God loves you when you sing.
 I believe in music
 I believe in love. . .

Saratoga bows out of W.V.A.L.

The West Valley Athletic League will be without one of its members, Saratoga High School, as the school leaves the league in favor of the Fremont Athletic League, which already contains Fremont, Cupertino,

Homestead, Sunnyvale, Lynbrook, and Monta Vista High Schools.

All that is now left to make the move official is a vote by the Central Coast Section's governing body, but this is a mere formality. The C.C.S. extends from South San Francisco to just south of San Jose.

Saratoga, a part of the Los Gatos Joint Union High School District (the same district as Los Gatos High), has already received permission by W.V.A.L. officials to make the move. The vote was unanimous with only Del Mar abstaining. Earlier the F.A.L. had also voted unanimously to accept Saratoga as a new member.

The reason for the switch has been blamed mainly on the student body money situation. All football fields in the F.A.L. have lights and this is supposed to increase revenue. Also the F.A.L. has a more extensive interscholastic variation of sports events, including water polo. Another factor in the transfer is the geographical closeness to the Fremont District.

Leigh Gets Into

the Spirit of Things!

Every Man's Work Is a Portrait of Himself

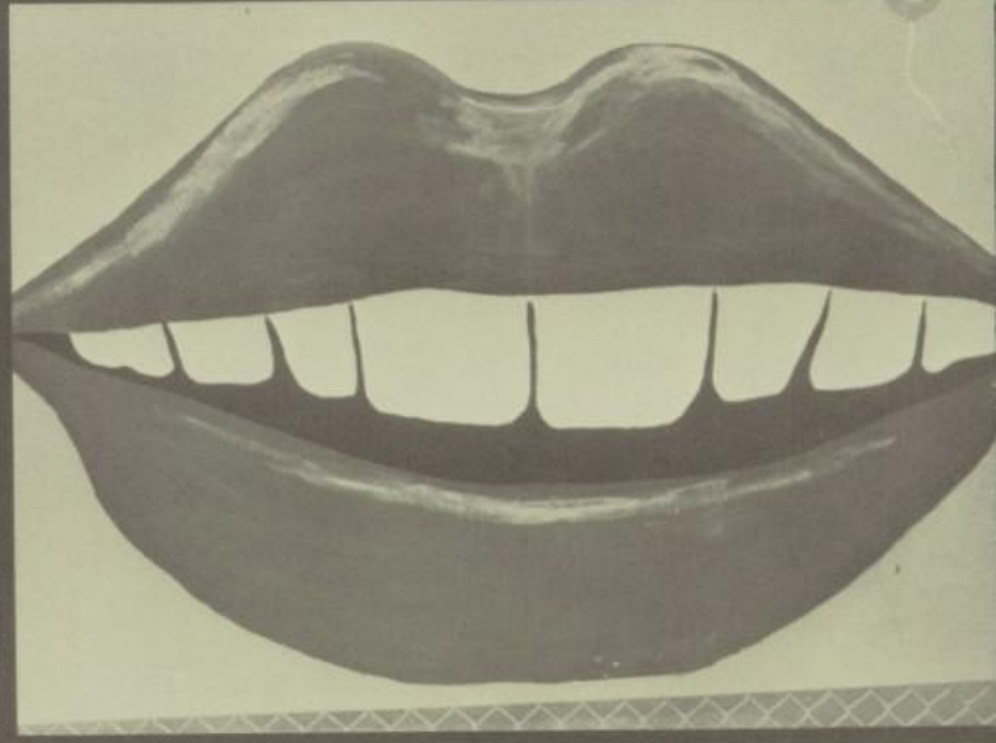

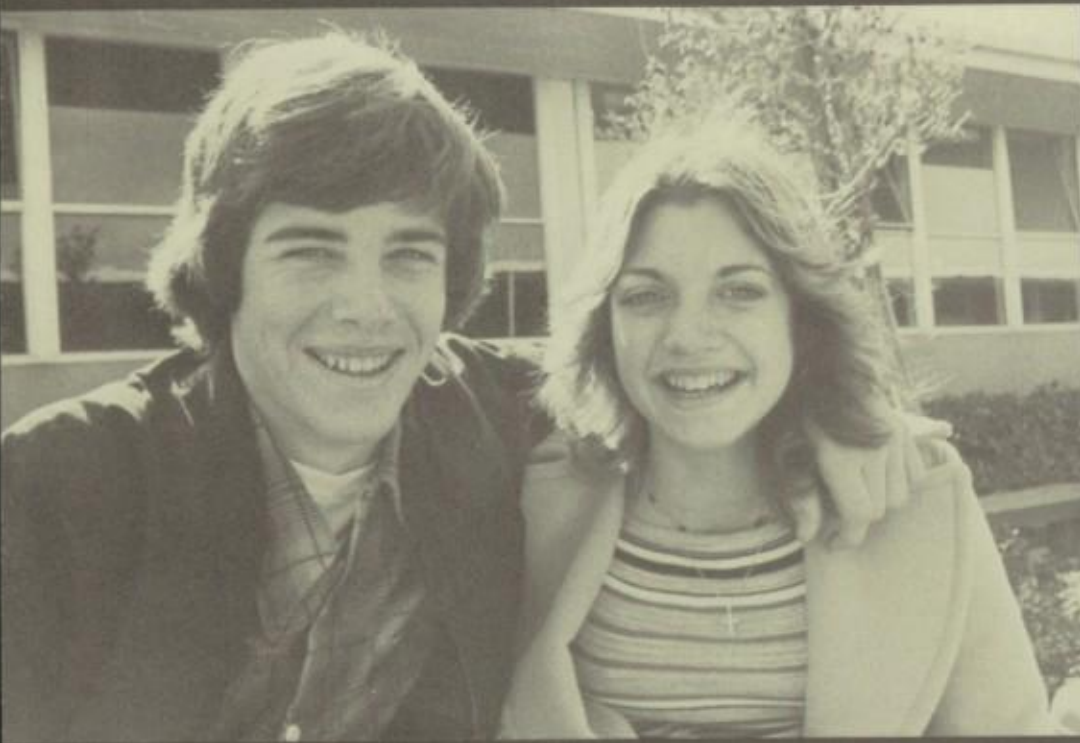

Joy Is Not in Things; It Is in Us!

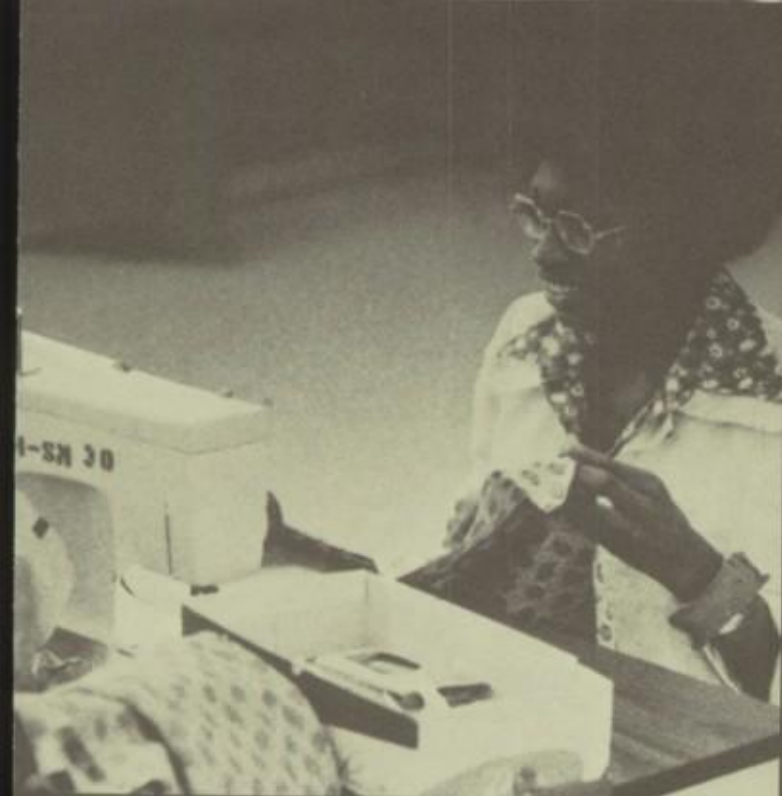

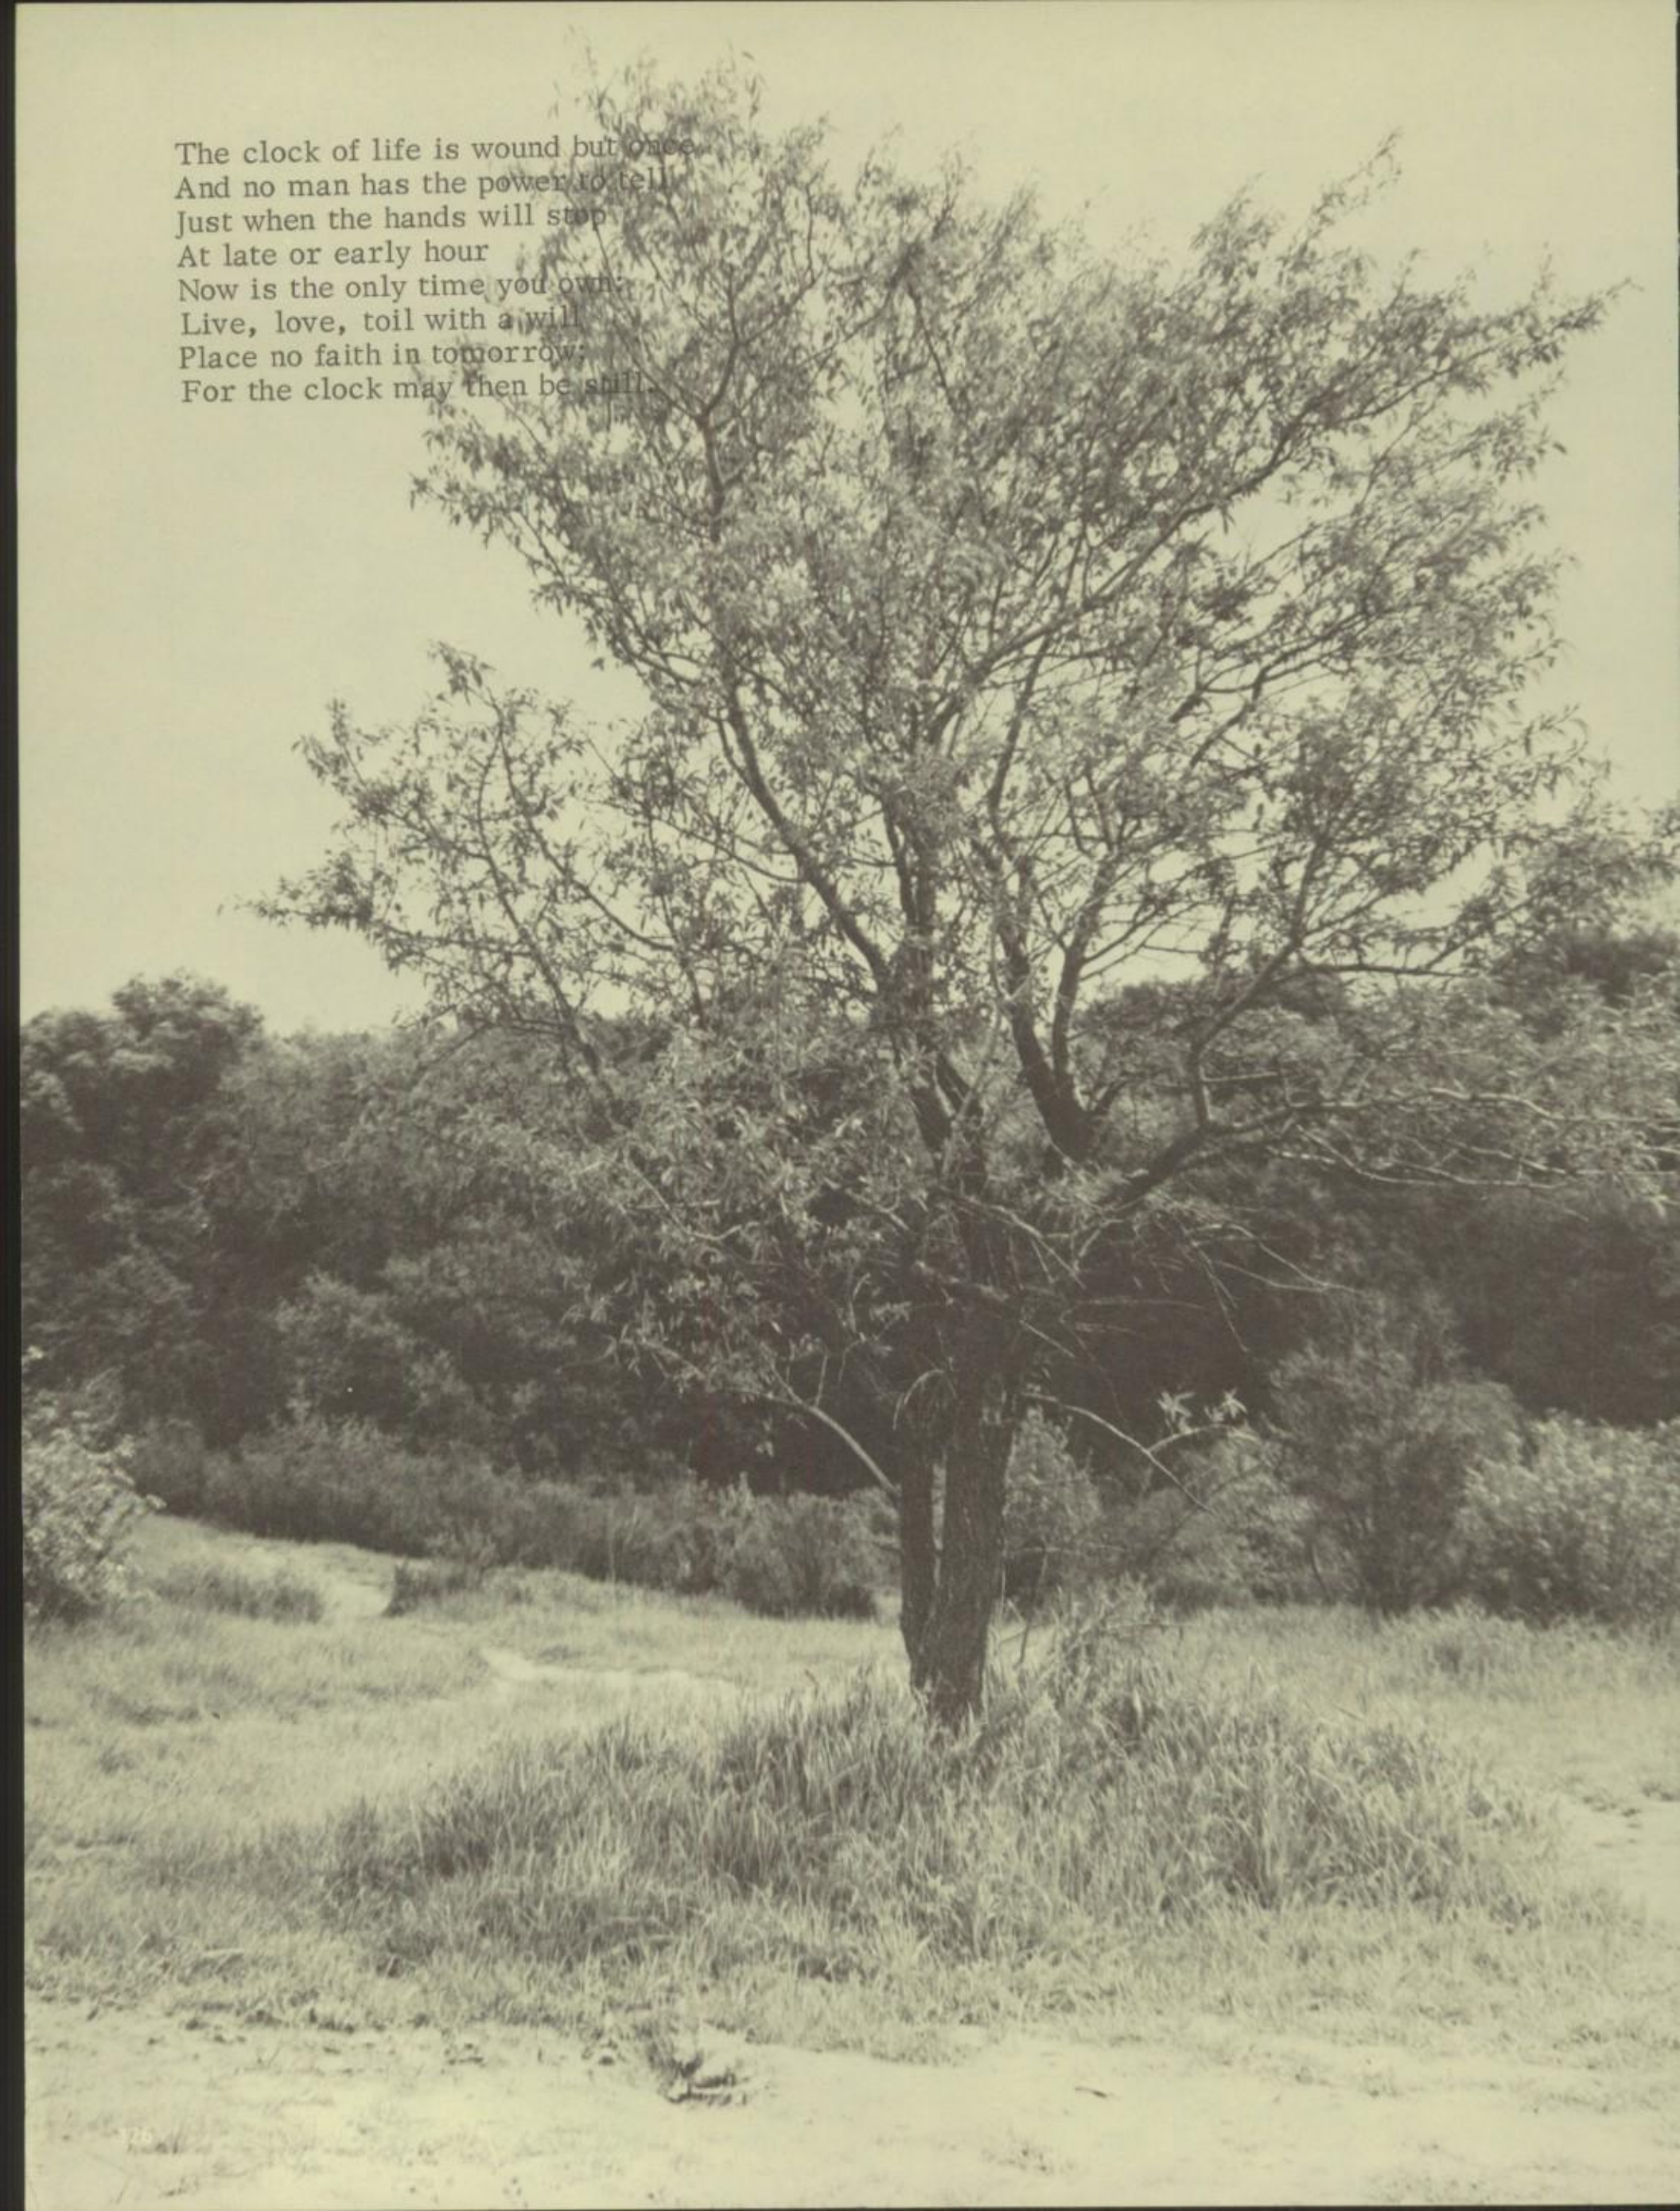

All People Smile in the Same Language

The Greatest Distance We Have Yet to Cover, Still Lies Within Us.

The clock of life is wound but once,
And no man has the power to tell
Just when the hands will stop
At late or early hour
Now is the only time you own:
Live, love, toil with a will
Place no faith in tomorrow;
For the clock may then be still.

We are the Longhorns
We come from Leigh.
We're here to bring home another victory.
Proud to be wearing Green, Gold and White
We'll prove every word we have to say
When we begin to fight.
We're always standing and cheering
Shouting our name.
Leigh High is here to win another game.
And when the game goes down in history
We'll have scored another victory.
So fight on Leigh High
FIGHT! FIGHT! FIGHT!

Life is but a vapor,
it's here and then it's gone,
when suddenly it's snatched away
we ask, "why Lord, what went wrong?"

One minute there is happiness,
the next there looms despair;
but for Ken, who's life is in the Father's hands,
there is no sorrow there.

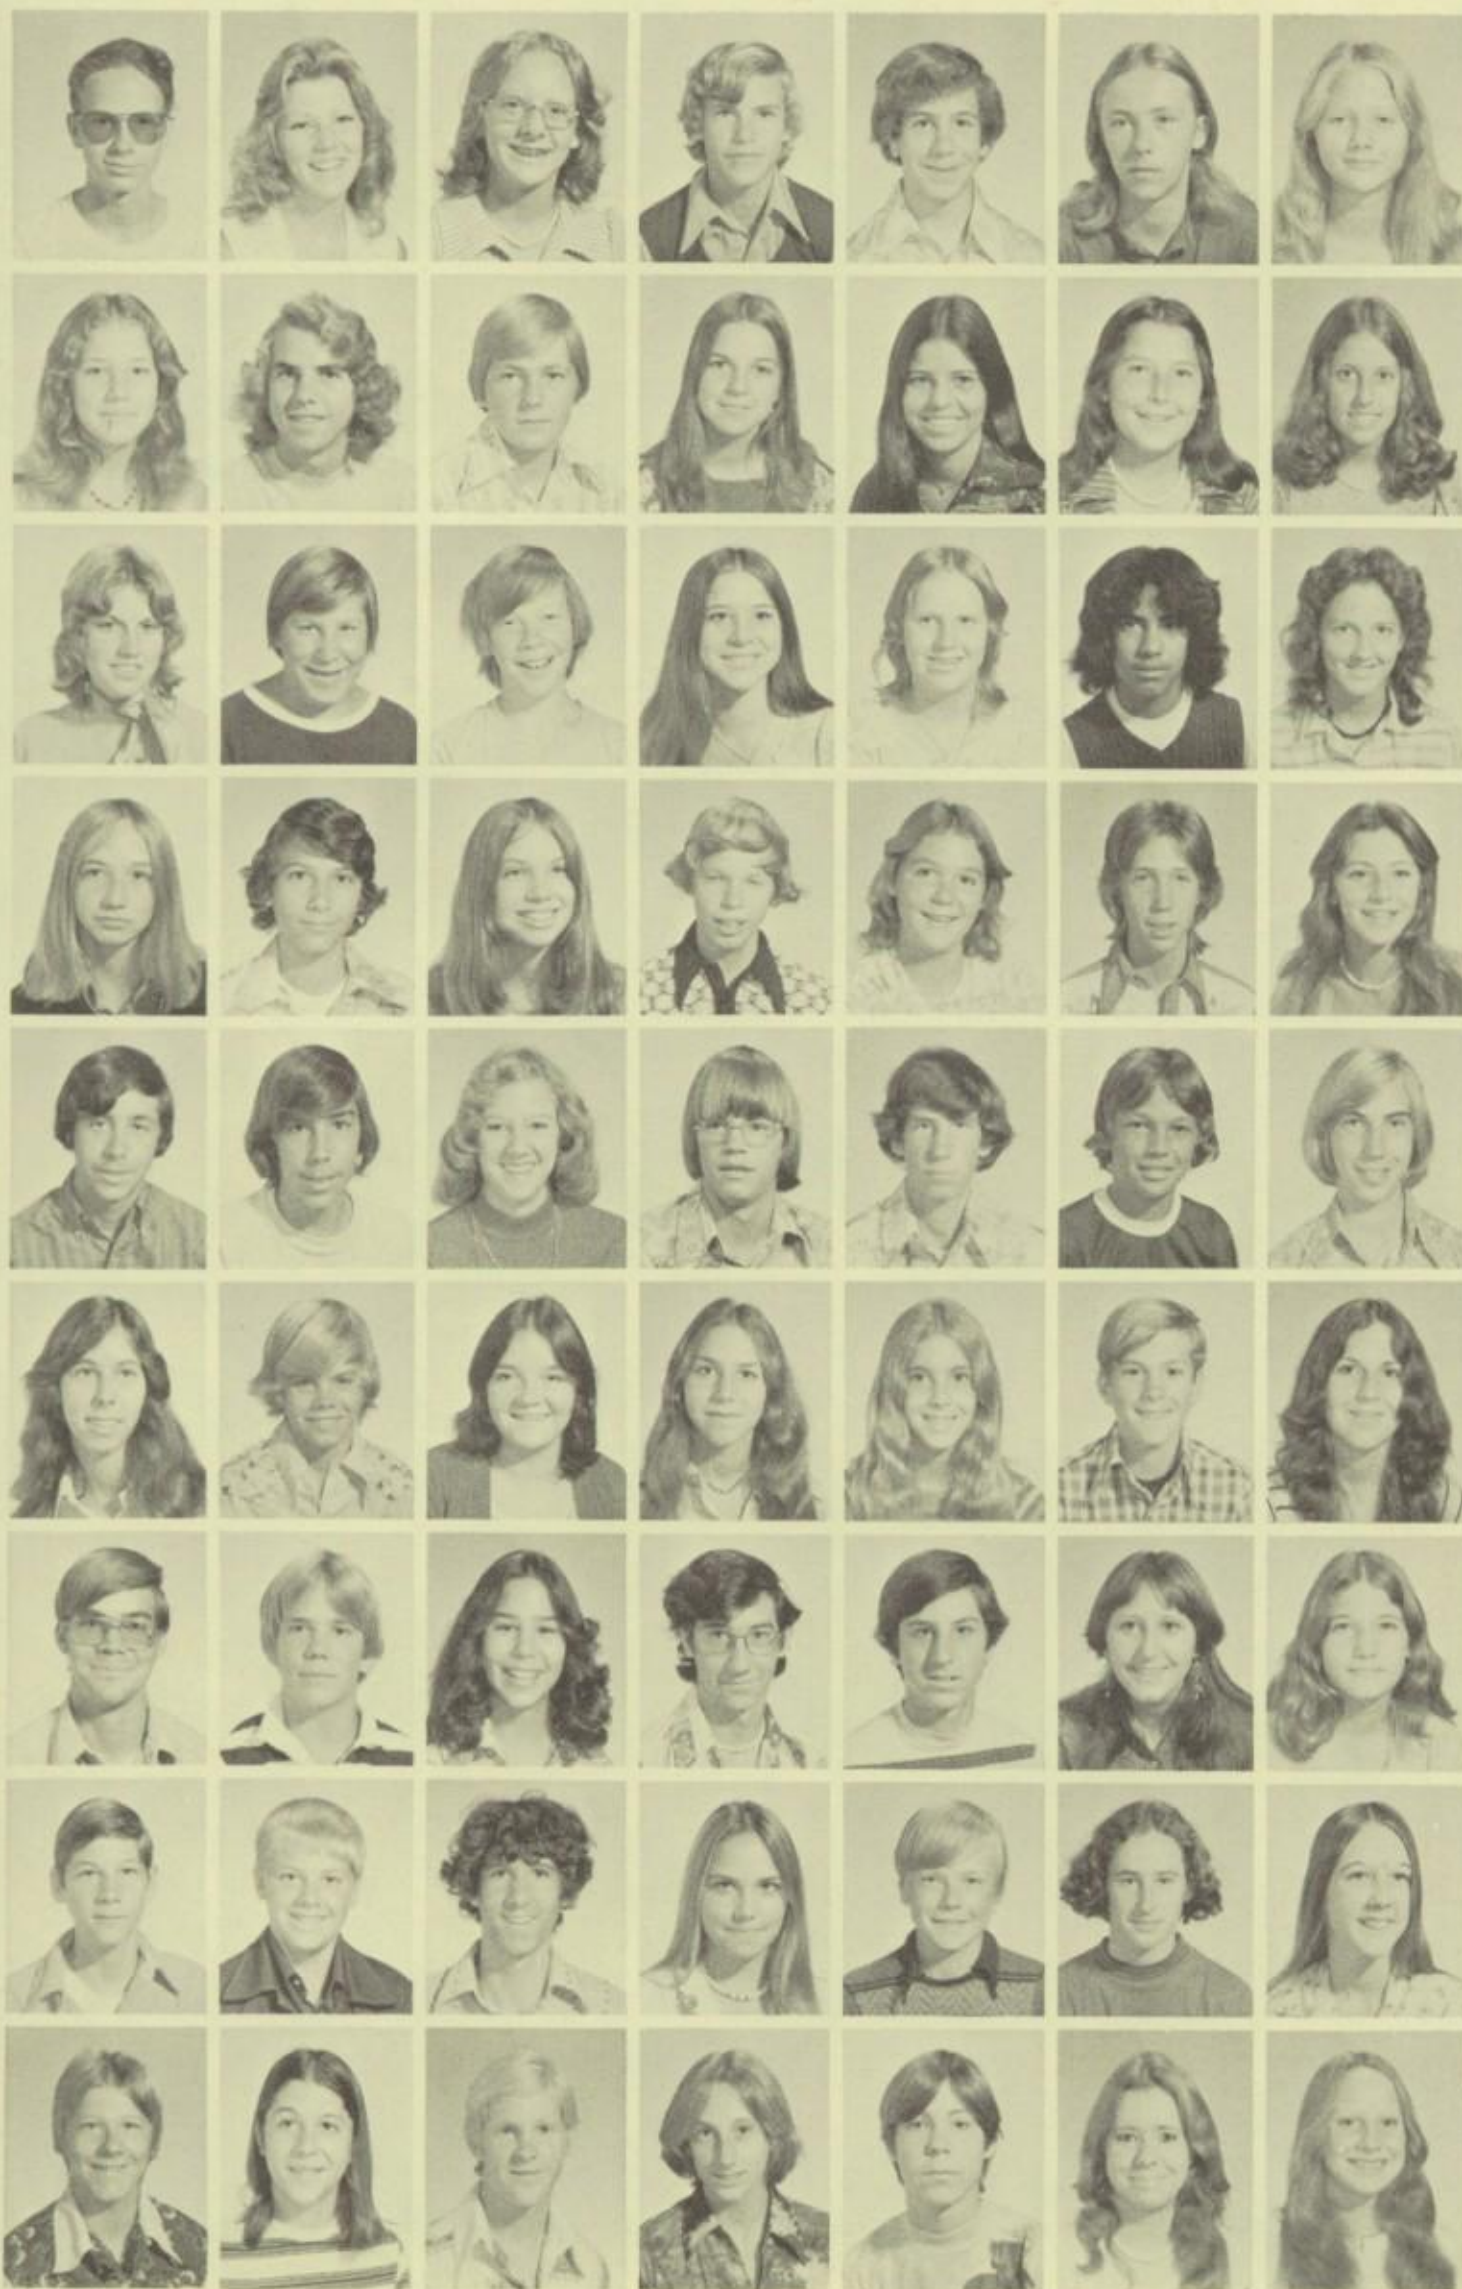

His life was committed to Jesus.
There are no deep regrets, because
Ken has stepped from earthly life into Heaven. . .
That's better yet!

So with thankful heart we praise the Lord
for allowing what is best
for Ken, I know he's happy, and for us,
it's just a test.

There were many hard working and dedicated members on the staff of this year's Vintage, all of whom deserve much more thanks than time or space allows.

Sue DesJardin, Pete Garza, Mei-Oi Hong, Pam Murphy, Maryann O'Connell, Cindy Olson, Sandy Schram, Candy White, Kerry Willis and Karen Wittry are to be commended for their brilliant work as section editors. I would also like to thank Chris Kevorkian for doing such a beautiful job on the dedication pages. I am grateful to Carol Lockhart, Rick McEvers and Jeff Nelson for sharing their artistic talents with us. The other members of the staff who are to be thanked are Carol Brautigam, Sue Brautigam, Carol Friesen, Lynn Gebbie, Jennifer Gladden, Cathy Lucas, Deanna Medeiros, Mary Morse, Michele Simon, and Margy Staurseth. The hard work done by the advertising staff, Cathy Boettcher, Joanna James, Patty Jones, Dan Lagasse, Kathy Morse, Debbie Olson, Val Tapay, Adrienne Roth, Danielle Roth, Kathy Spalding, and Sue Wilson, was also deeply appreciated.

My special thanks goes to our photographers, Conrad Sanford, Chris Johnson, and Jeff Myers, and Photo Commission, Phil Watt, Mike Roske, Julie Quakenbush, and Vince Olson.

We are extremely grateful to our yearbook representative, J.R. Myers. Without his dedication of time and effort along with that of the photography staff, the book never would have been published.

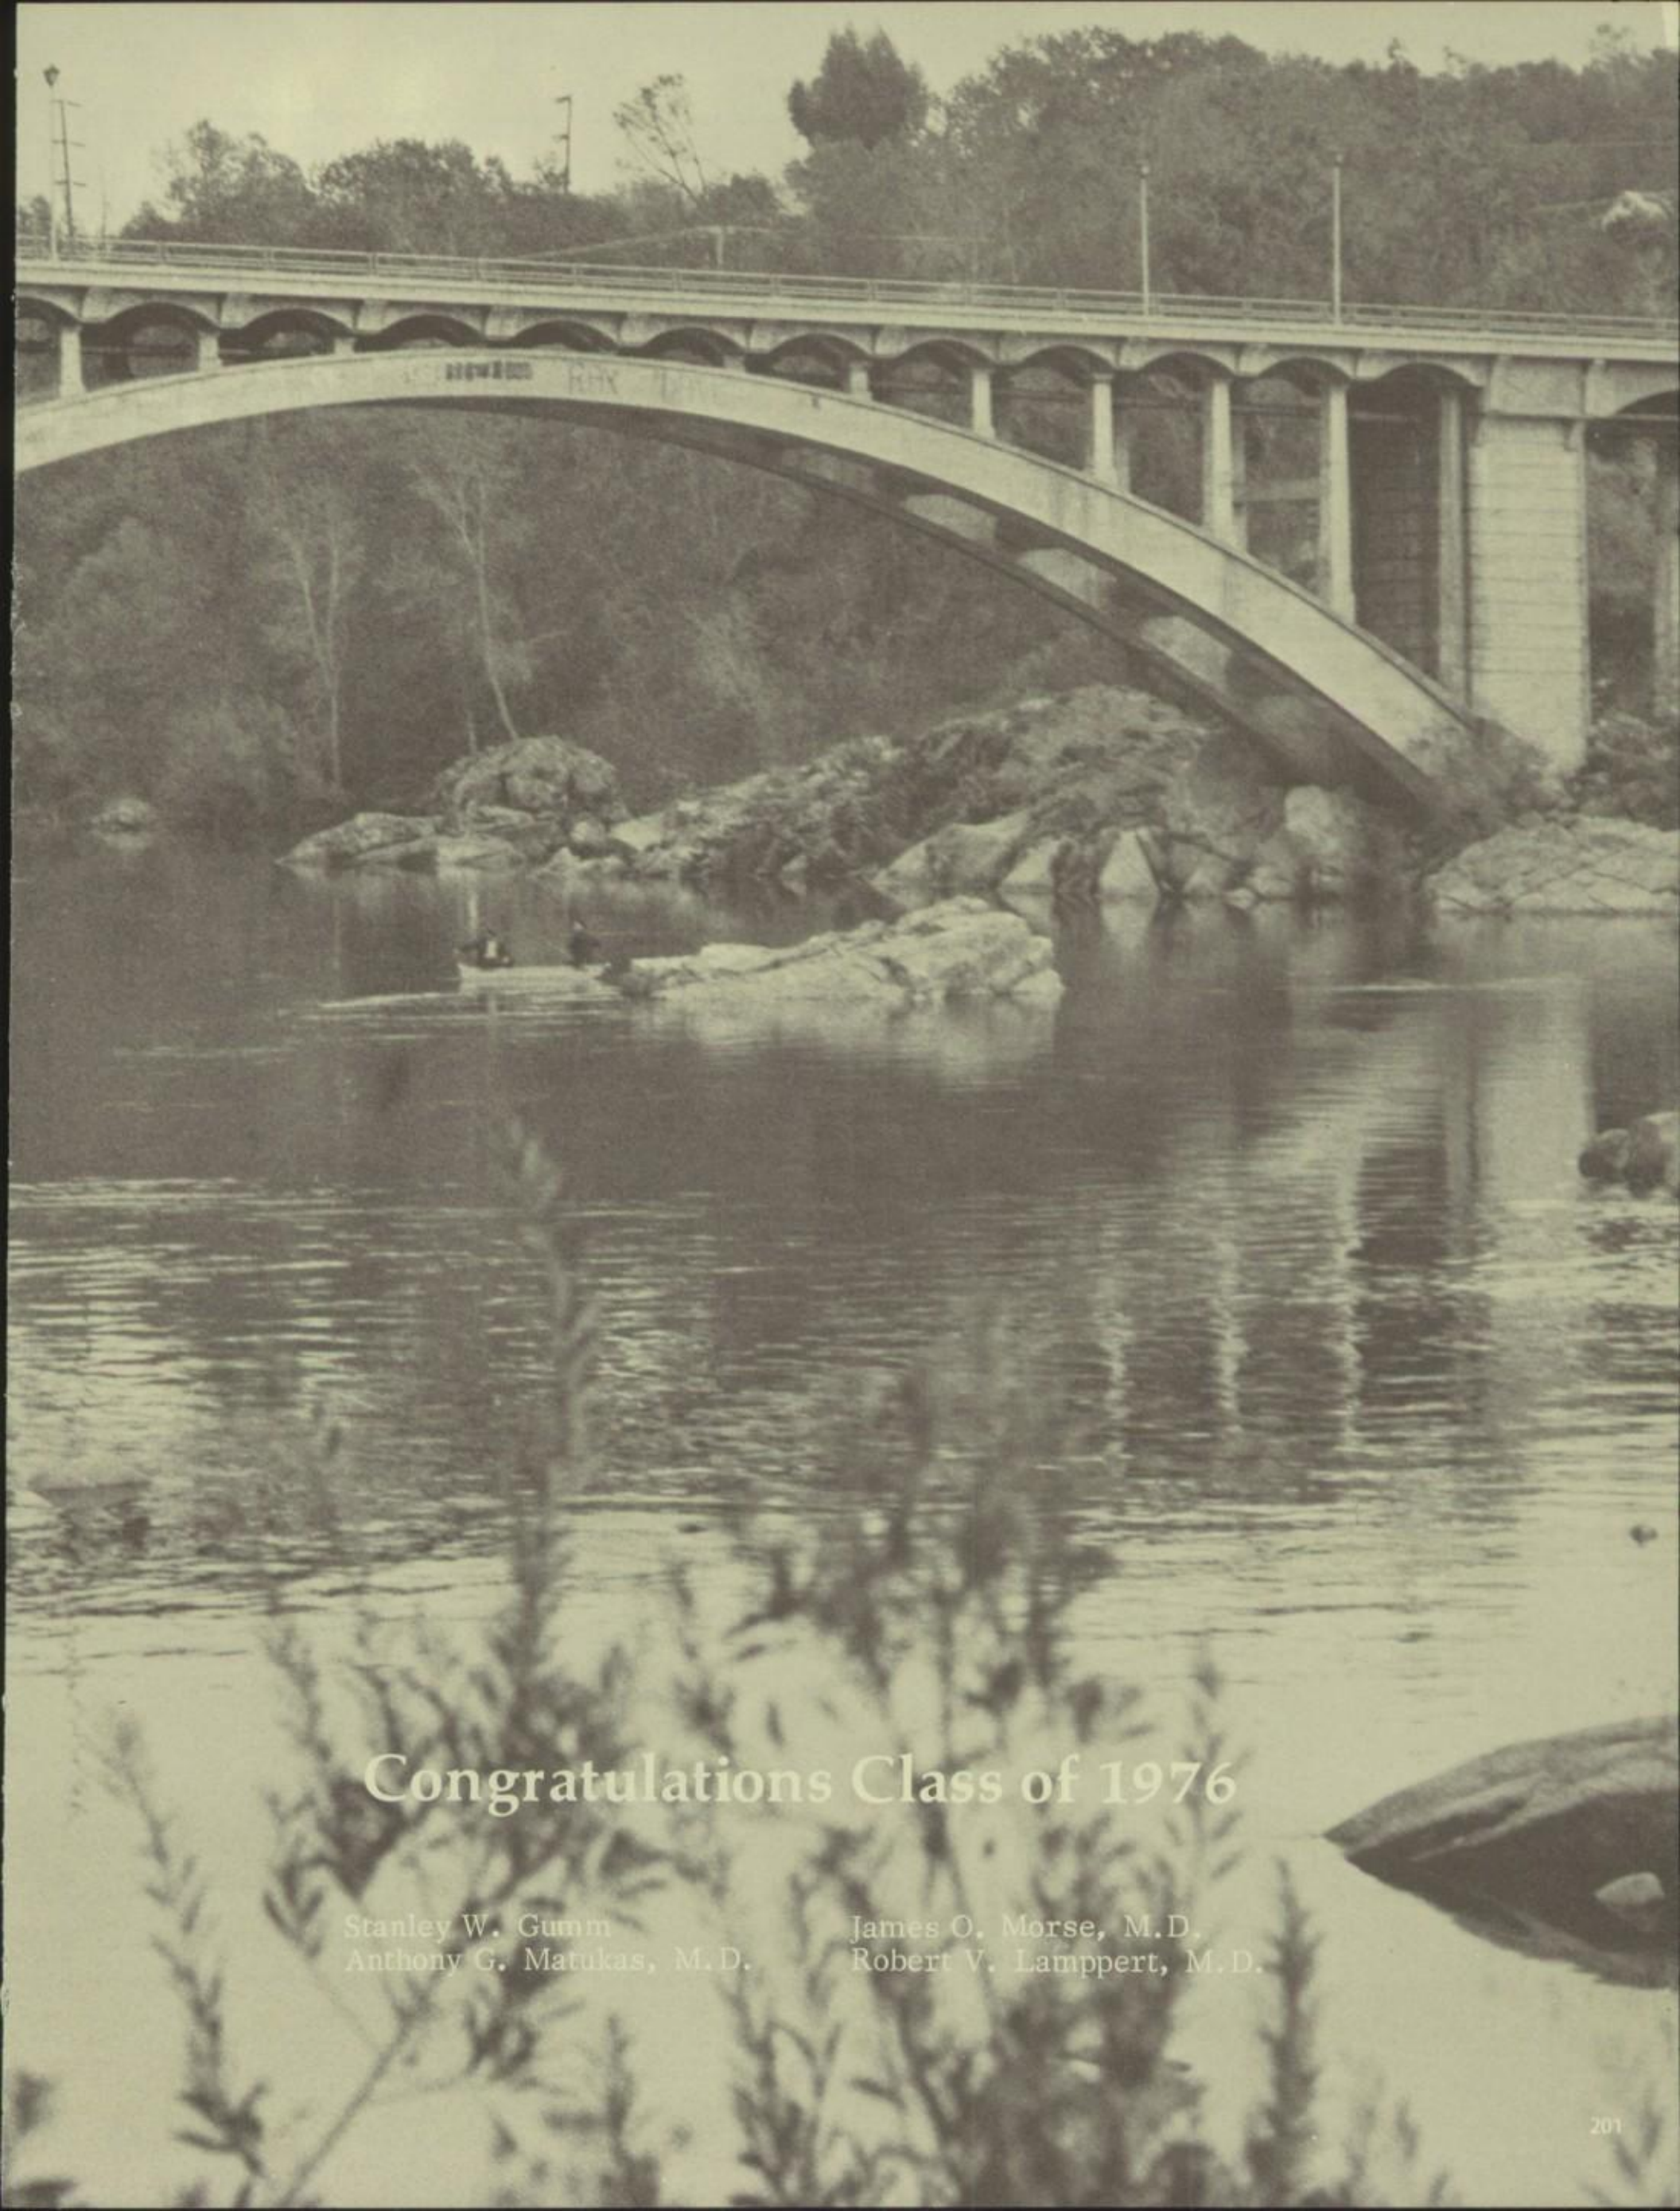

Tom Davis and Julie Fox are to be commended for the beautiful work they did on the page done in the memory of Ken Nikkel.

The endless hours spent by the advisors, Gayle Moser, Chris Ray, and Rhonda Winter, were deeply appreciated by the staff. They are truly dedicated and without them the staff would have been lost.

The 1976 Vintage Staff worked to produce a book that would keep the memories of this year at Leigh High School strong in the minds of its students. We feel that we have accomplished this. We present this book to you, our fellow students, with hopes that you share our feelings.
